

JUNIOR FREE

Wireless open-ear kids headphone

Hear your world, worry-free.

JBL Junior Free wireless open-ear headphones bring JBL OpenSound to a whole new generation, at safe, parent-approved volume levels. Designed to keep young ears protected, they won't go beyond 85dB and don't block the ear canal, so kids stay aware of the world around them. With the JBL Headphones app, you can set custom volume limits, manage daily listening time, and receive detailed weekly or daily reports on your child's listening habits. Made with soft silicone neckband, Junior Free headphones are built for comfort, stability, and independence. The oversized, durable buttons are made for little hands. Up to 10 hours of battery life means long-lasting fun at home or on the go. They come in fun colors and include a JBL sticker set so your little rockstars can personalize their look. Great sound has no age limit.

Wireless open-ear kids headphone

Features and Benefits

JBL OpenSound with JBL Safe Sound <85dB

JBL Junior Free headphones provide great JBL OpenSound while keeping your kids' ears open to the world around them. JBL Safe Sound technology ensures sound levels never exceed 85dB. So your kids can enjoy the great sound that made JBL a legend in audio while they stay aware of their environment—all at a volume that's always safe for their ears.

Parental Control with Customizable Volume & Playtime

Use the automatic 85dB maximum volume limit, or set a lower one. You can also customize hearing protection by limiting their daily listening time.

Easy monitoring

Use the JBL Headphones app for real-time reports on how long your kids are listening and at what volume. Also check daily and weekly usage and volume reports and set up your own PIN code to protect your settings.

Made just for kids

JBL Junior Free headphones are made with ultra-soft, skin-friendly silicone for extra comfort. They're lightweight and stable, thanks to the lightweight titanium memory metal frame. Plus, the JBL Junior Free headphones feature a built-in microphone to help your kids stay connected with the world. They can talk with teachers while they're learning, or chat with friends and family during their downtime.

Up to 10-hour battery life

JBL Junior Free headphones offer up to 10 hours of battery life and recharge quickly with a USB-C cable. For a super-quick boost, ten minutes of charging will get you another three hours of battery life.

*Charging cable not included

Kid-friendly controls

Durable, child-friendly buttons make JBL Junior Free headphones easy and safe for kids to operate.

Reuse your pack

The plastic-free packaging folds into a fun device stand and a playful JBL sticker set is included so kids can personalize their headphones.
