

COVE P1

Portable Wi-Fi home speaker

Experience immersive sound that moves with you.

Great sound should be easy—and never stuck in one room. On its own or part of an intuitive whole-home sound system, the JBL Cove P1 portable Wi-Fi speaker makes immersive listening feel effortless.

Powered by Dolby Atmos® Music, Cove P1 surrounds you with bold, ultra-wide sound that pulls you in from every angle. Want to hear the same playlist in another room? Just long-press the Moment button on any speaker and the music follows you like magic.

With legendary JBL sound, every spot becomes the best seat in the house—especially when you bring your sound to every room. Just pair Cove P1 with other Cove and JBL Bar MK2 devices for your dream whole-home audio setup. You can also add a second Cove P1 for rich stereo sound or pair with JBL Bar MK2 devices for the ultimate home theater setup. With the JBL One app, it all comes together in just three easy steps. And it's built to grow with you—add more products anytime.

Want a breath of fresh air out on the patio? Grab it by the handle and keep the music playing for up to 14 hours—through rain, dust, and spills.

COVE P1

Portable Wi-Fi home speaker

Features and Benefits

Enjoy superior sound everywhere

The JBL Cove P1 speaker delivers ultra-wide sound with incredible detail that remains clear across the room. With Dolby Atmos® Music, sound takes shape and wraps all around you. Detect every nuance of the vocals, follow every instrument's lead, and feel the bass deep in your bones, no matter where you're listening. And when you head out to the patio, enjoy up to 14 hours of playtime.

Seamlessly stream from any service

Wi-Fi or Bluetooth—either way, streaming is easy. Cue up music, podcasts, or audiobooks from your go-to services, including AirPlay, Google Cast, Spotify Connect, Tidal Connect, Qobuz Connect, Roon Ready, and more. Just hit play.

Build your dream home sound system

Keep the music flowing from room to room. With the JBL One app, it's a breeze to link all your JBL Cove and Bar MK2 devices together for whole-home audio—or let every room do its own thing. Run one playlist throughout your home, switch up the vibe by space, add a second Cove P1 for rich stereo sound, or pair it with a JBL Bar MK2 to turn movie night into a full-on cinematic moment. And it's built to grow with you—add more products anytime.

Easy 3-step setup with the JBL One app

Three steps and you're in. The JBL One app gets Cove P1 connected to Wi-Fi fast, then lets you dial in sound.

Music follows with just a press

Keep the music flowing as you move through your home—no phone, no app, no fuss. With Music Follows Me, you can simply long-press the Moment button to jump the music to the room you're in, just like that.

Built to move with you

Grab the Cove P1 by the handle and enjoy up to 14 hours of playtime, anywhere. With IP56 water and dust resistance, even the swimming pool isn't out of the question. Party going long? No worries. Quickly power it up with the portable charging dock.

Hear how it's meant to sound with Dolby Atmos®

The Cove P1 brings Dolby Atmos® Music to life—big, bold, and all around you. Vocals land right where they should. Instruments move with depth and dimension. The room fills up, and the music pulls you in. This is how it's meant to sound.

Perfectly balanced sound, unlocked

Hear balanced, natural sound anywhere in the room—even as you move around. Thanks to Constant Sound Field, the sweet spot opens up, so every seat feels like the best seat in the house.
